FIFTEEN CENTS

As a Guess 52 Articles for Town Meeting Warrant

Almost all, if not all Articles for the Town Meeting of 1974 are now in Wilmington Town Hall, being compiled for the Board of Selectmen. There may yet be an article or two, introduced late by the Selectmen, but all that are to be introduced by voters are in. As a guess, and only as a guess, there will be 52 Articles in the Annual Town Meeting.

That ought to be a good round number, with a lot of fun in it for everyone. One of the more important articles, from the viewpoint of many residents, is one being asked by the Water Department - \$2,000,000 to be appropriated to clean up the rusty and dirty water problem. Certain streets should provide more than their share of orators for that article.

Another water department article asks for \$500,000 to install a 12 inch water main up to the North Wilmington Industrial area, from Brown's Crossing to Andover Street and Ballardvale Street. That too, could provide the orators with material.

A third major project is the installation of a 12 inch main on Shawshen Avenue, between Aldrich Road and Hopkins Street. This is to be for the purpose of equalizing pressures and to increase flow of water in the area.

Streets which are to have water improvement articles, by Betterment include Aldrich Road, Brattle Street, and Jaquith Road. These are articles in which the inhabitants of the area petition for improvements and pay for those improvements over a period of years.

Reasoning articles There will be four or five articles asking that land be rezoned in various parts of town, mostly near West and Lowell Streets. One article seeks to have ten

acres of land in North Wilmington, off Andover Street, rezoned to Industrial. It is at present zoned for Rural use, and belongs to the Ruggiero family. Another rezoning petition comes from the Wilmington Redevelopment Authority, and asks that two parcels of land in the forty acres that are controlled by the Authority be rezoned.

Wilbur Thomas has submitted two articles, asking that land along West Street and Lowell Street be rezoned, one to Industrial use and the other to Neighborhood Business.

Street articles There is a petition to accept two ways, in South Wilmington, now privately owned by the DiCenso interests, Industrial Way and

Progress Way. It is about ten years, now since those streets were begun, and the area is now about one of the most important tax-wise, in Wilmington.

Another article, by petition, asks that a portion of Grove Avenue be relocated, in an area that is within a few hundred feet of the old Mildred Rogers School.

Articles asking that the streets be accepted by Betterment have been submitted for Lexington Ave., Morningside Drive, Falcon Road and one part (the westerly) of Cleveland Avenue. There is also an article to relocate a section of Glen Road, in order that there may be a sidewalk from Main Street to the junction with Harnden Street.

Elissa Stira selected, D.A.R. Citizenship Award

Elissa Stira, daughter of Mr. and Mrs. John Stira of 2 Dell Drive, Wilmington, a senior at WHS has been chosen as the recipient of the Daughters of the American

Revolution Good Citizenship Award.

She was selected from the members of the senior class by the high school faculty and will now compete at the state level for scholarships offered by the D.A.R.

The award is based on citizenship, patriotism, character and scholarship.

During her years at Wilmington High School, Elissa has been a member of the Junior field hockey team, the National Honor Society (initiated in her junior year) and the Art Club for the past three years. She has received awards for English, French and Typing and has been the recipient of several art awards. This year she has been named Class Artist.

She has worked on various art projects for the Wilmington Recreation Dept., including the decoration of the Senior Citizens Drop-In Center at Wilmington Plaza and has served as a dental assistant in the area.

A Wilmington Heritage Group?

There are currently five members of the Wilmington Historical Commission. They have charge of the Harnden Tavern, in North Wilmington; and potentially they are in charge of many many other subjects, all having to do with the history of Wilmington.

For the record, those persons are Mrs. Shirley Callan (658-4176), Mrs. Evelyn Sheerin (658-4966), Miss Hope Hathaway (658-8021), Bill Meyer's (658-4135) and Walter Kohler (658-4677).

There are other persons who would like to get into the act, one way or another. Perhaps not all the way, as a member of the Commission, but as a part of a study group, or part of a work group.

Now the Historical Commission has arrived at the point where they may be willing to sponsor a group, to be called, tentatively, the Wilmington Heritage Society.

The first project, of course, will be the Harnden Tavern. There is work to do - all kinds.

And there are other projects in the offing - identifying and cataloguing old homes, records, etc. A study of artifacts of Wilmington - or the Middlesex Canal. Finding Historical Sites, compiling records of early industries, the compiling of maps and the identifying of old roads and lanes.

Oh Yes - There is plenty of work. Just call any one of the members of the Historical Commission.

School Department salaries

One of the elements of humor in Wilmington, occurs when the Town Crier makes an error. The humor comes from observing the reactions of the readers.

Of course this paper does not like to make errors, and tries very hard to keep from doing so. But errors do occur, and they are noted (at least sometimes) and become the subject of comments, sometimes violent, sometimes slurring, and sometimes good clean fun.

Half a year ago, more or less, there was an error, which was printed in the belief that the story was true, and it ascribed to the Executive Secretary of the Board of Selectmen of Burlington a few thoughts he did not express, concerning the Burlington dam and Weeping Hill. The gentleman called the Town Crier and enquired sarcastically if it was an attempted case of hanging.

But he had a sense of humor, and the story was corrected by having the correct version printed the

next week. Last week the Town Crier printed some information relative to salaries of Wilmington school administrators, etc. It was information which was accepted by some of Wilmington's Big Brass, and had been acquired by the Town Crier from said Big Brass.

Over the years the Big Brass in Wilmington has been regarded with a more or less jaundiced eye, by the Town Crier, and well might it do so. This time, however, the information was accepted as Gospel Truth. And it wasn't!

The trouble is that there are several ways of paying school personnel, and who ever had supplied the information had evidently worked on the promise that everyone received so many checks a year, and to get the total sum earned by multiplying the sum on the checks by 26 payments a year.

But it wasn't that simple. The Director of Reading, for instance, receives 21 checks a year, an option which is provided for in collec-

tive bargaining. So, instead of the sum given last week, that lady receives \$18,990 a year. The High School Principal receives \$31,500, the West Intermediate School Principal receives \$20,175 and the Administrator of the Work-Study Program also receives \$20,175.

In the case of other personnel: The Superintendent of Schools receives \$27,500 a year, on a schedule effective to December 31st last, and now has an increase on a schedule for the next six months of \$3,500.

In the same way the Assistant Superintendent was getting \$24,500 and is receiving now a \$1,000 increase. The Business Manager was getting, up to last January 1st at the rate of \$17,000 a year, and has had a pay increase of \$550. The Administrator of Counseling Services was getting \$19,500 and received an increase of \$500.

Planning Board does not favor Glen Road sidewalk

The Wilmington Planning Board, Tuesday night, discussed briefly the proposals for sidewalks expected to be debated in the March Town Meeting. There are, at this time, two such proposals, one for a sidewalk along Shawshen Avenue leading to the Shawshen School, and another for Glen Road, from Main Street to Harnden Street, near the Glen Road School.

The members of the board did not comment on the Shawshen Avenue proposal, but they were against the idea of a sidewalk on Glen Road. The proposal is to widen the road to a forty foot layout, and then include sidewalks. Such, the Planning Board members said, is impossible because of the curve near Lubbers Brook. It was their understanding that the persons who had signed the petition do not live on Glen Road.

Other items discussed in the meeting included the Woburn Street By-Pass, being planned. The Planning Board feels that the Town Meeting should vote only on land taking, this March, and have the vote on the lay-out at a later date.

A proposal laid before the board asks for a deeper pond than originally planned, at Corn Meadows. The pond will be deeper, the board was told, because there is more peat there than was thought. It may be as deep as 17 feet, in the middle. It is proposed to put up a chain link fence, around the pond.

Charles Lawrence, Building Inspector, was present for a while to discuss changes in the Parking Regulations, for Industrial and Neighborhood Business zones, but after the discussion the board and Mr. Lawrence decided to leave things as they are, for a while.

Dave Orndorff chairman of Council for Aging

Dave Orndorff of Wilson St., Wilmington was elected the Chairman of the Council for the Aging, Tuesday at a regular meeting of the council. Mrs. Jo O'Neill was elected vice chairman, Abby McQuaide the secretary and Nema Miller trustee.

The Council has adopted a volunteer program, for the Drop In Center. It asks anyone wishing to be a volunteer aid to call the Center - 658-9075.

A donation of card tables would be appreciated. The Sons of Italy have volunteered to donate goodies, each week, for the Drop In Center.

ELAINE LYFORD WILL COMPETE FOR SCHOLARSHIP

Elaine Lyford, daughter of Mr. and Mrs. Willis C. Lyford of 187 Middlesex Ave., Wilmington has been nominated to compete for a Henry Wells Scholarship offered by Wells College, a liberal arts college for women in upstate New York.

Elaine, who attends Wilmington High School visited the campus last weekend for a competitive written examination and a personal interview, both of which will be factors in determining the scholarship winners.

The college offers three Henry Wells Scholarships of \$10,000 each and they are awarded solely on the basis of scholastic merit. A committee made up of Wells College faculty members and administrators will choose the winners in the early spring.

Jim Banda candidate for re-election

Attorney James F. Banda has announced his candidacy for re-election to the Wilmington Board of Selectmen in the coming March 2nd Town elections. A resident of 7 Marie Drive for fifteen years, with his wife and five children he holds a B.S. degree in Business Administration and doctor of Jurisprudence degree.

Mr. Banda has served as a member of the Planning Board for six years, and was chairman of that board for two years, also appointed Veterans Agent for a period of two years. Elected to the Board of Selectmen in 1968, served as chairman during 1969 and is presently the chairman. Former President of the Wilmington Counseling Service, a Charter member of the Board of Wilmington Hospital Association, and Wilmington Minute Man Association, also veterans and fraternal organizations.

Mr. Banda's knowledge of municipal affairs, local and Federal laws, makes him an exceptionally well qualified candidate for re-election to the Board of Selectmen.

Voting machine in Library

One of the voting machines, used in Wilmington, is currently on exhibit in the Wilmington Memorial Library. The purpose is to allow voters to acquaint themselves, if they have not already done so, with the mechanics of voting by machine. Esther Russell, Town Clerk, is requesting that the town buy another five machines, in the 1974 Town Meeting. This will give the town a total of thirty voting machines.

MARY MARKEY TO SERVE STUDENT GOVERNMENT

Mary Markey of Woburn St., Wilmington, a junior at WHS has been selected to serve as Commissioner of Corporations and Taxation for the State of Massachusetts during the state's annual Student Government Day which will be on April 5th.

On that day she will take the place of Nicholas L. Metaxas, the present commissioner, and will have the opportunity to witness the amount of work involved in handling 2.3 million personal income tax forms as well as observing the other responsibilities of the Department of Corporations and Taxation.

months of combat duty in Vietnam. He was graduated in 1958 from Rindge Technical High School.

Cambridge. His wife, Norma, is the daughter of Mr. and Mrs. Norman Collins of Union, Maine.

Public Library seeks to have Historical Room

The board of Trustees of the Wilmington Memorial Public Library are asking the Town Meeting to provide money for the establishment of an historical room, during the year 1974.

A preliminary design has been formulated to use an upstairs room, now temporarily used as an office by the Recreation Department. The room, overlooking Middlesex Avenue, is about twenty feet wide and twenty four feet long.

The plans call for sections of shelving, and for cabinets and display cases, along the walls. There would be a built-in catalogue case to provide access to Wilmington's historical books and other items.

The Trustees feel that by undertaking this project now they can have the room dedicated prior to the bi-centennial observances, and in active use by that time. The cost is estimated at \$7,000, less some money, amount unknown, to be returned by the State.

A OLD PHOTO: This was how the Masonic Hall, on Church Street appeared about 50 years ago, with the Walker School to be seen in the background. The picture is from a postcard, printed in Germany, and a one cent stamp is all that was required for postage.

Whether children eat the right foods or not, often depends on the emotional climate around the dinner table.

Parents who provide good foods and happy talk at the table, will make eating a pleasant part of normal activity for their children.

Constant nagging of children often tends to set them against eating, or being sociable. Hurrying, failure to listen - all of these can be detrimental to your child's nutrition.

The Exorcist Clergymen don't like the film

Showing in some theatres at this time is a movie called "The Exorcist," having to do with a twelve year old girl, supposedly in the possession of demons, to judge from the advertisements one sees. To judge by comments, it is a film which will change the R-rating from Restricted to just plain Raw.

The film, and the book from which it comes were roundly condemned, Tuesday by three clergymen, visiting in Wilmington. They were a part of a group, thirty in number, taking part in a Prayer Fellowship being conducted in the Congregational Church by the Rev. George Taylor III.

The Rev. Roy Bulkley, Presbyterian, was joined by Fr. Tom Usher of St. Leo's Church in Dorchester and Pastor William C. Dorsey who conducts a Bible Center in Roxbury. The Rev. Mr. Bulkley termed the film "a crass commercial scheme." It employed, he said, the most deadly of all motivations, spiritual curiosity. It robbed people of their money, and of their peace of mind, and spiritual consciousness.

The only alternative, he said, to "this deadly spiritual activity" was the true spirit and reality of Jesus Christ, as Lord and Savior, and Spirit Baptism. "Jesus, as Lord, is the Spiritual Reality that people need to give them the job and thrill of living."

THREE CLERGYMEN. Who believe in Exorcism. At left is the Rev. Roy Bulkley, in the center is Pastor William C. Dorsey, and the Rev. Tom Usher.

Exorcism, to the three gentlemen, is a real thing. They go back to the Old Testament, to Deuteronomy, for their source. It is a source that is also to be found in the Talmud, used by Hebrew theologians.

Each of them, it was quite apparent, had taken part in exorcist exercises. The Rev. Mr. Bulkley spoke, very briefly, of one such experience. To them demons were real, to be guarded against. Fr. Usher spoke of the occult practices hurting the young people. It was upsetting, he said, getting scandalized.

Demonology (a word not used by the three clergymen) could be divided into eight parts, according to the Rev. Mr. Bulkley. He listed them as Child Sacrifice, Divination, Sooth Saying, Applying sorcery, A Charm of Hypnotism, A Medium, A Wizard and a Necromancer.

To define further some of these phrases, Mr. Bulkley described sorcery as applying the use of herbs, spices and various kinds of potions to control or manipulate circumstances and people. It was, he said, very common in some cultures. The use of home remedies he classified as applying sorcery. Herbs and drugs containing plants he said are readily available, and this refers particularly to the current American society, with its increasing use of drugs, both legitimate and illegitimate.

A charmer, on the practise of hypnotism, he said, is the submission of the human will to another human being. This was not to be confused with the practice of Baptism, for the man who minister that is not a Charmer.

TOWN CRIER THURSDAY JANUARY 24, 1974

Mediums, those who consult with ghosts, or communicate with family spirits, are 'demonic apparitions. Some are discernable to the human eye, some to the ear. A person who practices such communication is a channel of demonic knowledge.

Wizards are male practitioners of sorcery and other occult powers of power user.

Necromancers are, communicators with the dead. A person who claims to talk with those who have passed on is a Necromancer.

The Rev. Mr. Bulkley said, resorting to Scripture, "For all who do such things are an abomination, or a curse unto the Lord." Because of these abominable practices the Lord your God will be driving out these nations before you.

Compugraphic sales expected to increase 30%

Net sales of Compugraphic Corporation of Wilmington, the nation's leading maker of phototypesetting equipment, are expected to increase by 30% in the fiscal year 1974, William W. Garth, Jr., president, told the annual meeting yesterday.

Mr. Garth told the audience of some 300 that the outlook continues to be favorable and that temporary shortages of materials experienced in late 1973 appear to have been overcome. Employment is at a record high of 1700 and the company is continuing to hire additional personnel. Mr. Garth said.

Expansion of the plant facilities from about 240,000 square feet to 435,000 square feet is under way and expected to be completed by summer, 1974, he added. Backlog was \$13,001,000 at December 30, 1973 compared with \$10,316,000 a year earlier.

In the year ended September 29, 1973, Compugraphic's net sales totaled \$47,084,004, compared with \$36,354,352 the previous year. Net income rose to \$5,484,285 or \$1.91 a share, from \$1,654,358 or 59¢ a share in the fiscal 1973.

First quarter 1974 net sales increased to \$13,350,000 and net income was \$1,500,000, or 56¢ a share, from sales of \$10,128,000, and net income of \$710,000, or 28¢ a share in the same period a year ago.

At the annual meeting the company demonstrated two of its most recent developments. The MAG-SETV a magnetic tape word processing device for use with Compugraphic's phototypesetters

(C/W series) provided for the storage of data for rapid and efficient updating, revision and editing of previously typeset copy. The second device demonstrated was the VideoSetter. Compugraphic's newest cathode ray tube (CRT) typesetter that produces large volumes and different kinds of type faces at ultra-high speed, as much as 45 columns inches per minute.

Compugraphic is the international leader in the development and production of low-cost, high quality phototypesetting systems

Fun and Frolic in Square Dancing

It was half a dozen years ago that a group of young minded people met in the Glen Road School to start a Square Dance club. They didn't quite realize what they were doing - and if they had they probably would have started earlier. The sparkplugs were Ernie and Dora Ardolino of Broad Street, Wilmington.

The club acquired the name of The Skirts and Flirts, and everyone things that's wonderful. Today there are about twenty-five couples, mostly from Wilmington, but a few from Tewksbury. They meet twice a month,

on the first and third Wednesdays, in the West Intermediate School for what is called a "work session."

The problem of having officers hardly exists. Some man is currently the Chairman, whoever it may be, and somebody else is in charge of getting Callers. Currently Dick Bennett of Columbia Street is the leader, and Leon Roueche of Oakdale Road is in charge of getting callers. Leon has proved to be so good that no one ever complains. It looks as though he

may have the job for life.

Then, on the first Saturday of each month, there is an Open Dance. It is at the West Intermediate School, and there will be over 75 couples participating. They come from all over New England, for Square Dancers visit one another frequently. Not only do the Skirts and Flirts have guests, but they too, frequently visit other clubs.

For dancing and sociability of course.

Sweet Adelines for Merrimack Valley?

Plans are being formulated to organize a Merrimack Valley Chapter of Sweet Adelines. Those who like to sing should mark January 30th on their calendar. Women who like to sing should set aside January 30th. This is the date for the first chorus rehearsal of women singing barbershop four part harmony. It's helpful if one reads music, but not necessary.

The chorus is forming under the direction of Carl D'Angio of Reading, former director of the Andover Townsman Barbershop Chorus. Rehearsal will be at 8 pm at the Tewksbury Senior Citizen's Center on Main St. All women in the Merrimack Valley are invited to be on hand. For information call Lynne DeVivo at 891-7643.

Spotlighters to meet Next Monday

An acting workshop, directed by Jean Waugh will be featured on Monday, January 28th at the regular monthly meeting of the Wilmington Spotlighters. The meeting will be held in American Legion Hall, at 7:30 pm. Included in the workshop cast will be: Barbara Cook, Maryanne Ackerman, Larry Donnette, and Joe DeRose. Spotlighters' meetings are open to the public and new members are always welcome.

Bill Silvestri, director of the group's spring production, "Never Too Late" has announced the names of his production staff as follows: set design, Bill Faulkner, set decoration, Terry Naimo; programs, Vera, Hennes; costumes, Barbara Cook; properties, Ron Whitney; sound and lighting, Larry Doucette; usherettes, Fay McLaughlin; tickets, Anne Whitney; makeup, Bernice Hubby and publicity, Elaine DePasquale.

The play, which is to be presented on April 26 and 27 at the Barrows Auditorium in Wilmington High School, is the delightfully warm and human comedy about a middle aged lady who finds herself expecting a baby, much to the consternation of her husband and married daughter.

MISS MAUREEN McDONALD, of Shawsheen Street, Tewksbury was one of the Student Practical Nurses who were tapped Tuesday morning at the Tewksbury Hospital. There was a celebration after the tapping, which featured an international buffet for the students and guests, with students preparing different dishes from all over the world.

Reading Savings Bank says it isn't so

A recent article in one of the Boston dailies told of a certain out of town financial institution deferring installment loan payments for the months of January and March to ease the pressure on borrowers faced with rising costs due to the energy crisis. The article stated that the bank believed it was the only one in the state offering this convenience to customers.

The fact of the matter is that one local financial institution, Reading Savings Bank, has been offering a deferred payment plan on installment loans to borrowers since August 1st.

Under this plan called PMP the loan customer receives PMP

(Pocket Your Monthly Payment) Certificates, one for each six month term of his loan and can use them to defer a monthly payment any time during the six month valid period stated on the certificate.

The bank has also announced that it is expanding the scope of its Personal Loan Department activities in conjunction with the new law effective January 1, 1974 which allows those between the ages of 18 and 31 to take out a personal loan on their own signature and credit record.

Under the new plan called the 18 to 31 Credit Club a borrower in the above age group can apply for a loan of \$500. Upon approval he or

she receives \$500 in cash and a savings account opened in his or her name for \$500 which will earn interest at the full 5 1/2% rate. The bank explained that while deposits to the Credit Club savings account can be made at any time, withdrawals are not permitted until the borrower's outstanding loan balance is less than \$500.

The bank feels that by offering the Credit Club program it is not only demonstrating its confidence that young people will honor their financial obligations, but that they will, at the same time, be introduced to the habit of systematic saving tied in with an opportunity to build valuable bank credit at an early age.

 Clamps are devices which we use to hold woodwork together until the glue is set. Often you can improve a clamp by using cords, wedges, heavy weights, or even rubber bands.
 Always be sure that the jaws of a metal or hardwood clamp are well padded to keep from marring the surface of things you are gluing. Old rags, felt, cardboard, or newspapers make good padding.
 Tighten clamps only enough to hold the work firmly. Too much pressure may injure both the furniture and the clamp.
 We are firmly committed to serving your needs. Cronin announces contracts to Avco

Congressman Paul W. Cronin has announced the awarding of two Department of Defense contracts totaling \$3,388,775 to the Avco Corporation of Lowell and Wilmington.

The Department of the Air Force awarded a \$1,553,500 contract to the Avco Corp.'s Wilmington Systems Division to design, develop and test a space reentry vehicle for the reentry vehicle nose tip test program.

The Department of the Navy awarded a \$1,744,775 contract to the Avco Corp.'s Lowell Systems Division to produce thermal insulation coating compound.

In announcing the contracts, Cronin stated: "Not only is this recognition by the Department of Defense of the capabilities of the corporations in the Fifth District, but it will also serve as a further stimulus to the economy of the District."

MRS. ROBERT PALMER, RN, of Conall Street, Wilmington, is an instructor at the Tewksbury Hospital.

Navy and Seventh Day Adventist Church Stop Smoking Plan

Persons who have attended the New England Memorial Hospital, Stoneham, Five-Day Plan to Stop Smoking will be interested to know that they are in good company. The Human Resources Development Project Office of the US Navy has signed an agreement with the Temperance Department of the Seventh Day Adventist Church that will offer help to its personnel who want to kick the smoking habit.

The agreement enables the Counseling and Assistance Centers (CACC) of the Navy to take over and operate the Five-Day Plan to Stop Smoking developed by the Adventists. The plan, which involves five successive evenings of group therapy, has proved more than 75 per cent effective enabling people to stop smoking, even chain smokers. It has been held in more than 100 countries and is a continuing community service of most of the hospitals operated by the church in the U.S. and overseas.

Letter

Dear Sirs:

My aunt, Esther Nichols came to New Hampshire last Saturday to the 80th birthday celebration the family had for our mother, Mrs. Harold N. Eames, Sr. She brought along the clipping of a feature article you ran last week on Ed Nelson Eames, our grandfather. What an honor and delight to read and see those pictures. What foresight on my grandfather's part to give them to an interested citizen such as Mr. Melzar.

I remember many years ago when my grandfather and grandmother came to live with us in

Maine, my younger brother and I spent many rainy or snowy days in the attic pouring over a box of tin type pictures of his which somehow have become lost or misplaced.

We will be looking forward to any further publications of his pictures.

Eames' House Sincerely,

Hampton, N.H. Harold N. Eames.

You Are Now On the Way to Establishing Bank Credit

2. YOU GET A SAVINGS ACCOUNT IN YOUR NAME FOR \$200

You Are Now On the Way to Systematic Saving

3. YOU CAN GET \$300 IN CASH TO SPEND AS YOU WISH

Now you have cash in hand to pick up that new stereo, take a trip, buy some new ski equipment or what have you. It's a great feeling!

You Can Now Take Advantage of Some Timely Opportunities

* Low Bank Rates

* Prompt, friendly service

* Free life insurance covering the Outstanding Balance

IMPORTANT

While a Credit Club borrower can now legally sign his or her own note, the bank requires that the parents endorse the note for \$150.00 of the unsecured balance.

All 18-21 Credit Club loan applications are subject to final approval by Reading Savings Bank.

REDMEN SCALPINGS

Redmen eye top spots

Hockey: Coach John Corbett's team found themselves in a tie for the top spot in the MVC following convincing victories over Chelmsford and Lawrence Central. Both Tewksbury and Billerica have collected seventeen points apiece while Austin Prep hangs on with fourteen points.

On Wednesday, January 16th, Tewksbury topped Chelmsford 4-2 and followed that victory with a 5-0 bombardment of winless Central Catholic.

Wed. Jan. 16th...In a wide open, free skating contest, the Redmen scored two goals in the last two minutes of the first period in breaking the game wide open. Rich Deschler broke a 1-1 tie at 10:05 of the opening period when he tipped a long pass by line mate Ed Hill past the Chelmsford goal tender. John Haggerty skated in freely from the right side to bang in his own rebound 65 seconds later to give Tewksbury a 3-1 edge and the hockey game for all intents and purposes. Other Redmen scores came off the sticks of Bill McLaughlin at 0:59 of the first period and Ed Hill at 6:53 of the final stanza.

Sat. Jan. 19th...Tewksbury coasted to an easy 6-0 win over an undermanned Lawrence Central squad. Defenseman Kevin Walsh opened the scoring at 11:42 of the first period as he blasted a 50-foot slap shot past Central goalie Frank Rattelle.

The Redmen held the shooting edge 38-18 in what could be termed a game even the most avid fan wouldn't mind missing. Bill McLaughlin played a fine game however in notching his fourth and fifth goals. John Haggerty, Dan McGonigle, and Rich Deschler also found the mark for Tewksbury. The game left the Redmen unbeaten through their last five games and boosted their record to 6-1.

Basketball: Despite losing their first game of the year to non-league opponent Haverhill, the Redmen came up with a good week with a pair of easy wins against Methuen and Dracut. The two MVC wins put Tewksbury on top with a 7-0 league mark, 9-1 overall.

Tues. Jan. 15th...Playing their first game in a week, the Redmen were nipped by a rugged Haverhill squad 30-48. A cold-shooting second period put Tewksbury in a deep hole as they were outscored 13-4 by the home team. The Redmen trailed 25-20 at the half and never were to regain the lead.

Wrestling card at WHS

The first professional wrestling card of the year will be held on Wednesday, January 30, in Wilmington High School. The five bout, all star card will get underway at 8:30 pm.

Topping the big night of wrestling will be a main event bout that will pit Stan Hart, Punch Stasiak, the man who defeated Pedro Morales in Philadelphia, to take the coveted World Wide Wrestling Heavyweight Championship from him, against the man who has been apily called, "The Greatest Indian Wrestler of this Generation," Chief Jay Strongbow.

Tony Garcia, one half of the World's Tag Team Champions, will take on the protégé of famed wrestler, now turned manager, Classic Freddie Blassie, the mighty man from Russia, Nickoli Volkoff.

In other outstanding matches wild Joe Turco will go into action against the Boston Strongman, Pete Dougherty. Tough Tony Altamore meets the absolutely un-

again, Tewksbury managed to outscore Haverhill 11-10 and 17-15 in the remaining periods of action as they found their shooting eyes again. Bill Mackey and Ted Whitney led the scoring parade with 13 and 11 points respectively.

Fri. Jan. 18th...Bill Mackey's 20 first half points led Tewksbury over a tough Methuen Club 61-42. Mackey led all scorers with 23 points in playing a brilliant all-around game. The win put Tewksbury in first place all by themselves.

Sat. Jan. 19th: In a makeup game the Redmen breezed past an obviously weaker Dracut club 65-48. Bill Mackey once again played brilliantly in pumping in 23 points. Ted Whitney went scoreless, but contributed mightily to the Redmen rebounding effort.

Dave McLaugh and Mike Hailson played their usual fine defensive game in holding down Dracut ace, Rick Sevigny. Sevigny had to work extremely hard to score a mere nine points. The biggers game of the year was played Tuesday January 22nd, when Tewksbury tangled with second-place Andover. Results next week.

Tracksters visit State House

The Tewksbury Memorial High School Cross Country Team recently visited the Mass. State House and made a visit to the General Court as the guests of State Rep. Frank A. Antonelli following their eight win-one loss season.

Tewksbury shared the Merrimack Valley Cross Country title with Andover High School and enjoyed the distinction of having James Stronach named individual title winner for the year.

The State Representative in the Chamber of the House along with Mr. Antonelli discussed the legislative process with the students. Before leaving, they visited several historic sites including the State Archives, the Senate Reception Room, the Hall of Flags, the Doric Hall and the State Library. It was a fine educational experience and a tribute to Tewksbury's Cross Country Team.

predictable Pancho Valdez and answering the opening bell at 8:30 pm on Wednesday, January 30th will be Ed Sullivan who will swing into action against Dangerous Dean Ross.

Advance tickets are now on sale at Big Joe's Sandwich Shop.

Girls ice hockey...

Thur. Jan. 17... The Recs Gold skaters came up with one of their better outings of the season battling No. Middlesex to a 0-0 tie to remain deadlocked for the league lead. Standouts for Coach Carl Backman's club were goal tender, Cindy Laquidara (10 saves), forwards Laura Miller, Cheryl Cushing and Diane Pumphrey.

The Recs maintained a 15-10 shot on net advantage but the No. Stars' Kathy Magiera thwarted all of the Wilmington efforts.

Sun. Jan. 28... Cape Ann whipped the Recs Gold sextet, 8-1 in the second meeting of the season for these non-league rivals. After a scoreless opening stanza the Skippers fired four unanswered goals past Cindy Laquidara in the middle frame, to provide Cape Ann with all they would need. Diane Pumphrey converted a Laura Miller pass past the Skippers' net minder at 3:22 of the final frame to avert a Wilmington shut-out. The loss dropped the Recs overall record to 4-7-3.

Basketball...

Wed. Jan. 14... The Raiders topped the Tigers, 13-9 with Vinny McCoy leading the victors with six points and the Chargers slipped by the Jets, 23-21 in the boys junior twin bill at the high school gym. Tom Carroll and Glen Carlson led the Chargers with eight points each, while Paul Burke took game high honors tossing in 10 for the Jets.

In the adult clash, Newhouse ripped the Ducks, 76-56 to move into a three way tie for the divisional lead with Ford and the Super-Stars. Dave Orndorff and Cliff Clark led the Builders with 17 and 16 points respectively. Bob Casello fired in 29 to lead the Ducks, while Vin Spano added 16.

Sat. Jan. 19... The Fawns rolled to their sixth straight seasonal win, thrashing the Pandas, 27-7 in the girls junior loop, opener. Sherry Bearse and Diane Doyle led the divisional leaders with eight and nine points respectively. In the other junior contest, the Bunnies slapped the Kittens with their sixth consecutive loss, 26-4 with Susan Rowe hitting for 16 points.

The Jades moved into undisputed possession of first place in the girls senior age with a thrilling, 26-21 overtime triumph over the improving Crystals. Barbara Moulton put the Jades ahead 20-19 with twenty seconds left to play in the see-saw contest, only to have Brenda Burns knot the score at 20-20 with a free throw with one second left in the game. However, the divisional leaders took control in the extra frame behind the four point outburst by Lydia Nolan to extend their unbeaten streak to five. Laura Miller paced the Jades scoring attack with eight points, while Ellen O'Rourke-16 a sparkling effort tossed in 11 for the Crystals.

In the other contest the Rubys held off a late Emerald rally enroute to their second seasonal win, 19-16. Cathy Morrisette led the Rubys scoring with seven points. Debbie Cook tossed in 11, seven in the second half, to pace the cellar dwelling Emeralds. The Opals upset the injury riddled Diamonds, 16-15 with Beth Harrison (seven) and Donna Luceri (five) leading the way. Diane Cook and Denise Dorval tossed in six and five points respectively for the Diamonds in a losing cause. The intermediate Ravens crushed the Owls, 13-2 to get the afternoon session off to a flying

start. The Patriots ran their win streak to six with a convincing 25-10 triumph over the expansion Lions, in the junior boys set. Peter McMillan and Sal Carbone tossed in 10 and eight points each for the Patriots, while Paul Bush hit for six for the Lions. The Broncos snapped their four game losing skein, while extending the Tigers winless streak to six with a 24-16 victory. Dave Cooke fired 12 points for the upstart Broncos, while Don Lombardi and Joe Vengren chipped in with eight and six respectively. Dan Todd and Craig Vokey tossed in six points each for the improving Tigers.

The Chiefs moved into a tie for second place with the Chargers, posting a 34-18 triumph over the Raiders behind the scoring of Eric Wood (16) and Billy Liston (14). Dave Woods tossed in nine for the Raiders.

In the lone senior boys encounter, the division leading Bullets belted the Royals, 30-25. Scott Gordon led the Bullets with 18 points, while Joe Thomas tossed in a career high 14 for the Royals.

In the evening's adult twin bill, the Lucky Ducks edged Silver Lake Pharmacy, 74-72 and the Super-Stars bested Converse Rubber, 69-66. The Ducks came from a six point 40-33, third period deficit to pull out a close win over the Pharmacy quintet. Paul Abare, returning to action after missing a pair of games, led the Ducks with 21 points, while Vin Spano and Jim Tidsley chipped in with 14 and 12. Keith Anderson took game high honors tossing in 30 for Silver Lake, and the division leading Mickey Sullivan added 23, but it was not enough. Dick Ethier and Paul Lyman fired in 21 points each for the Stars in their win over a stubborn Converse club. Dan Walcott pumped in 20, fifteen in the second half, to lead the Converse attack, while Ed Sweeney and Tom Ricker chipped in with 15 of 14.

Mark Smith led the Celtics with 15 and Ed Maloney and Randy Foster added 12 each. The Pistons jumped out to an early 16-0 lead and went on to trample the

Knicks, 42-25. Bob Walsh took game high scoring honors with 19 points for the Pistons, while Dave Maloney led the Knicks once again with 16 points.

Wilmington Ford moved into sole possession of first place, a half game ahead of the idle Newhouse and Stars, with a 76-56 triumph over Converse Rubber. Ford trailed 16-8 after the opening stanza, but came back with a big 20 point second period to take a 33-28 half time lead. Bob Milley and Steve Donahue led the Ford club with 16 points each, while Dan Walcott tossed in 26 for Converse.

Mon. Jan. 21... Ken Marshall tossed in six points, four in the opening moments of the second half to lead the Ravens to a 10-5 triumph over the Hawks in the boys intermediate lid lifter. In the second game, the Eagles clawed a stubborn Owl club, 16-12. Scott Sullivan led the division leaders with eight. Louis Martignetti tossed in four for the improved Owls.

The Super-Stars fought off a late Newhouse surge to defeat the Builders, 64-61. The defending adult champs jumped out to a commanding 41-38 half time lead and then had to hold on for dear life as they continued to have second half scoring problems.
